## CHOOSE THE BEST ELECTRIC FIREPLACE FOR YOUR PROJECT

Builders and interior designers agree: Touchstone Electric Fireplaces offer easy installation and instant ambiance. You can find Touchstone Electric Fireplaces in new homes, remodeled homes, hotels, restaurants, businesses, and motor homes. Touchstone's top rated LED flame technology looks so realistic, guests are often surprised to learn the fireplace is electric.

## IMPRESS YOUR CLIENTS WITH COZY CONVENIENCE

With a wide variety of sizes and mounting styles, Touchstone Electric Fireplaces are easy to add to any space. No venting, chimney or gas lines required — simply plug in and turn on. Homeowners love the convenience of the remote controlled flames and heat options.

## WIFI-ENABLED THE SIDELINE® ELITE

**"Alexa®, turn on the fireplace."**

Equipped to work with Amazon® Alexa, Google® Home and the Tuya Smart app, the Sideline Elite Electric Fireplace is easy to control by voice commands. The Sideline Elite features the most flame colors, hearth base colors and the biggest flame display area. The slender frame offers a wide view of the 6 adjustable flame colors and 10 media bed colors.

## ELITE FEATURES

- WI-FI ENABLED! Control with Amazon® Alexa, Google® Home and the Tuya Smart app.
- Narrow trim design delivers an expanded flame viewing area.
- Compatible with light switches and smart outlets. Remembers flame and media colors.
- Two heat settings (750W/1500W) with thermometer (68–88°F) or constant on.
- 6 flame color options and 10 media bed color options.
- 5 flame and media bed light intensity settings.
- 3 flame speeds and timer up to 8 hours.
- Includes log set, crystals, and driftwood.

## 60 COLOR COMBOS!

**6 FLAME COLORS AND  
10 MEDIA BASE COLORS**

### CONTROL WITH VOICE COMMANDS

- Easily add the Wi-Fi enabled Sideline Elite to your Smart Home.
- Connect to Amazon® Alexa and Google® Home/Assistant.
- Control up to 9 features from your mobile device with the Tuya Smart app. The free app gives you a full visual guide of all the fireplace controls, including heat level, embers, flame, colors and timer features. You can also view your room's ambient temperature.
- Use Alexa, Google® or the Elite Wi-Fi/Tuya smart app to raise the temperature of your room before you arrive.

# TOP MARKS FOR TOUCHSTONE ELECTRIC FIREPLACES

Builders and interior designers give Touchstone Electric Fireplaces top marks for performance, versatility and captivating LED flame technology.

## RELAX AND ENJOY

The cool-to-the-touch flame display is pet- and child-friendly.

## SAVE MONEY

Significantly lower than the cost of firewood or natural gas, Touchstone Electric Fireplaces cost about \$50 – \$80 per year to run.

## BREATHE EASY

Perfect for those with asthma or allergies, Touchstone Electric Fireplaces are smoke free and don't emit carcinogens or fumes.

## LEARN MORE

Visit our website for more electric fireplace benefits.

## WI-FI ENABLED • EASY TO ENJOY

The Sideline® Elite Electric Fireplace connects with Amazon® Alexa, Google® Home and the Tuya Smart app, adding Smart Home controls. Use voice commands to adjust the flame colors, heat temperature and more. The Sideline Elite is available in five widths to fit any space. Learn more on pages 4-7.
