EASY INSTALL

NO CHIMNEY OR GAS LINE NEEDED

SIMPLY PLUG IN OR HARDWIRE

STAGE 1: Build a bump out wall or insert/hang on an existing wall.

STAGE 2: Safely mount a TV or mantel 8 inches or more above the fireplace.

STAGE 3: Style your fireplace wall with paint, stone, brick, tile, shiplap or other covering.

STAGE 4: Enjoy the added value to your home, at a fraction of the cost of a wood fireplace.

"I am beyond satisfied with the products as well as the service and delivery of the products. I cannot say this about other companies—especially in these challenging times getting materials from other companies."

— Randi | Varuso Gioe Construction, LLC

MADE FOR EASY INSTALLATION

Every Touchstone® Electric Fireplace includes mounting brackets, customizable flame media, and remote control.

SIDELINE ELITE® 60

SIDELINE ELITE® COLLECTION

SLIM FRAME AND SMART TECHNOLOGY

Wi-Fi ENABLED – Control settings with the free mobile app and configure voice commands with Amazon Alexa® and Google Home®.

Compatible with light switches and smart outlets. Remembers flame and media colors.

Can be plugged in or hardwired 120v. Safe, energy efficient alternative to a gas or wood fireplace.

Built-in heater adds supplemental heat. Two heat settings (750W/1500W) with thermostat (68–86°F) or constant on.

Premium LED flame display with 6 flame colors, 10 media bed colors, 5 flame/media bed intensity settings, 3 flame speeds and 8-hour timer.

Enjoy the flames with the heater ON or OFF for ambiance anytime. The glass front remains cool to the touch for added safety.

Customize the look with included faux logs, driftwood and crystals.

Operate by touchscreen, included remote control and free mobile app. Connect to a compatible smart device for voice commands.

SIDELINE ELITE®

The slim 5½ inch depth makes it easy to insert the Sideline Elite® into a wall, recess into a bump out accent wall or mount directly on the wall with the included mounting bracket. Perfect for new construction or renovation. Available in a variety of sizes to fit any space.

PRODUCT	SKU	DIMENSIONS
SIDELINE ELITE® 42	80042	42" W x 19 ¼" H x 5 ½" D
SIDELINE ELITE® 50	80036	50" W x 19 ¼" H x 5 ½" D

SIDELINE ELITE® 60

SIDELINE INFINITY® COLLECTION

THREE-SIDED VERSATILITY AND FRAMELESS GLASS DESIGN

- 

Wi-Fi ENABLED – Control settings with the free mobile app and configure voice commands with Amazon Alexa® and Google Home®.
- 

Premium LED flame display with 6 flame colors, 10 media bed colors, 5 flame/media bed intensity settings, 3 flame speeds and 8-hour timer.
- 

Frameless three-sided design can be installed to show all sides, one side or recessed fully.
- 

Enjoy the flames with the heater ON or OFF for ambiance anytime. The glass front remains cool to the touch for added safety.
- 

Compatible with light switches and smart outlets. Remembers flame and media colors.
- 

Includes faux log set with black and clear crystals.
- 

Can be plugged in or hardwired 120v. Safe, energy efficient alternative to a gas or wood fireplace.
- 

Operate by touchscreen, included remote control and free mobile app. Connect to a compatible smart device for voice commands.
- 

Built-in heater adds supplemental heat. Two heat settings (750W/1500W) with thermostat (68–86°F) or constant on.

The Sideline Infinity's three-sided design offers a frame-free look with multi-dimensional flame views. Nestle the fireplace in an accent wall with an open left or right corner for an ultra-modern vibe. Or install so all sides are visible or recess fully, so only the front display is in view. See the easy installation on page 4.

SIDELINE FURY® COLLECTION

SLENDER DEPTH, PERFECT 2X4 WALL FIT

Designed with the slimmest depth, the Sideline Fury® easily fits into any 2x4 wall. This thin electric fireplace outperforms competitors with its vibrant, realistic LED flames and wide flame display area. The Sideline Fury® sizes are precisely matched to popular TV sizes for just the right look.

PRODUCT	SKU	DIMENSIONS
SIDELINE FURY® 46	80053	46" W X 20" H X 4 ½" D
SIDELINE FURY® 50	80054	50" W X 20" H X 4 ½" D
SIDELINE FURY® 57	80055	57" W X 20" H X 4 ½" D
SIDELINE FURY® 65	80056	65" W X 20" H X 4 ½" D

Visit our website for full specifications and dimensional drawings.

Wi-Fi ENABLED – Control settings with the free mobile app and configure voice commands with Amazon Alexa® and Google Home®.

Compatible with light switches and smart outlets. Remembers flame and media colors.

Can be plugged in or hardwired 120v. Safe, energy efficient alternative to a gas or wood fireplace.

Built-in heater adds supplemental heat. Two heat settings (750W/1500W) with thermostat (68–86°F) or constant on.

Best-in-class flame display with 10 flame colors, 10 media bed colors, 5 flame/media bed intensity settings, 5 flame speeds and 8-hour timer.

Enjoy the flames with the heater ON or OFF for ambiance anytime. The glass front remains cool to the touch for added safety.

Customize the look with included crushed glass, driftwood and faux logs.

Operate by touchscreen, included remote control and free mobile app. Connect to a compatible smart device for voice commands.

SIDELINE FURY® 57 @ISLANDGAL_SHOMEDECOR

New crushed glass media reflects the flame colors beautifully.

SIDELINE® STEEL NON-REFLECTIVE COLLECTION

CLASSIC METAL SCREEN FRONT

The Sideline® Steel's black mesh metal screen front offers a non-reflective traditional fireplace look. The control panel is cleverly hidden on the front of the fireplace. Realistic LED flames with 3 color options, built-in heater and remote control.

PRODUCT	SKU	DIMENSIONS
SIDELINE® STEEL 50	80013	50" W x 21 1/2" H x 5 1/2" D

“I like [the fireplaces] because they are affordable, look good, never had an issue with them being damaged at delivery, and have never had callbacks on them after closings.”

— Maria | Synergy Homes NE

OUTDOOR SIDELINE® ELECTRIC FIREPLACES

WEATHERPROOF FOR OUTSIDE USE

Add instant ambiance to an outdoor deck, pergola or patio with these weatherproof electric fireplaces. These heater-free fireplaces are made for outside fireplace walls and can be plugged in or hardwired. Also ideal for indoor use, these models can be mounted close to televisions and shelving because they don't have built-in heaters.

PRODUCT	SKU	DIMENSIONS
SIDELINE® 50 OUTDOOR/INDOOR <i>3 adjustable flame colors</i>	80017	50" W x 17 ½" H x 5 ¾" D
