Add Value with a Touchstone Electric Fireplace

Products for Multi-Unit Dwellings

ABOUT TOUCHSTONE®

A leader in innovation since 2005, Touchstone Home Products, Inc. has grown from a small family business to a major manufacturer and trusted home products brand.

- ❖ U.S. Company, based in the Philadelphia area.
- ❖ Seasoned inventory planning.
- ❖ Innovative product development.
- ❖ In-house customer support from Exton, PA.
- ❖ Consumers know the value of the TS logo.

SHIPPING & INVENTORY

As the manufacturer, we handle inventory and shipping seamlessly at our own Pennsylvania warehouses. Delivery can be scheduled for multiple delivery dates based on construction and renovation needs. We can **ship nationally** wherever your project is located.

EASY VALUE ADD

In-demand property feature - without install or maintenance hassles.

“Fireplace” is one of the most searched and sought after amenities.

Source: Zillow

TOUCHSTONE[®] ELECTRIC FIREPLACES

Perfect for rentals, 55+ units, luxury homes in all sizes and communities.

- ❖ Easy to install in new builds or renovations.
- ❖ Indoor and outdoor applications for every space.
- ❖ Coziness without the added liability of a real fire or dangerous gas. No maintenance required.
- ❖ Top rated Touchstone[®] realistic LED flame display.
- ❖ Designed for all seasons and climates. Flame display can be enjoyed with heat ON or OFF.

INCREASE VALUE

Add a desirable home feature at a low cost.

Potential renters and buyers feel at home – and will pay more for the comfort.

A small investment with big returns.

Fireplug® Pro

“My experience with Touchstone has been positive from start to finish! My fireplace insert arrived on time, packaged very well with no damage”
– Kerry

TOP RATED BRAND

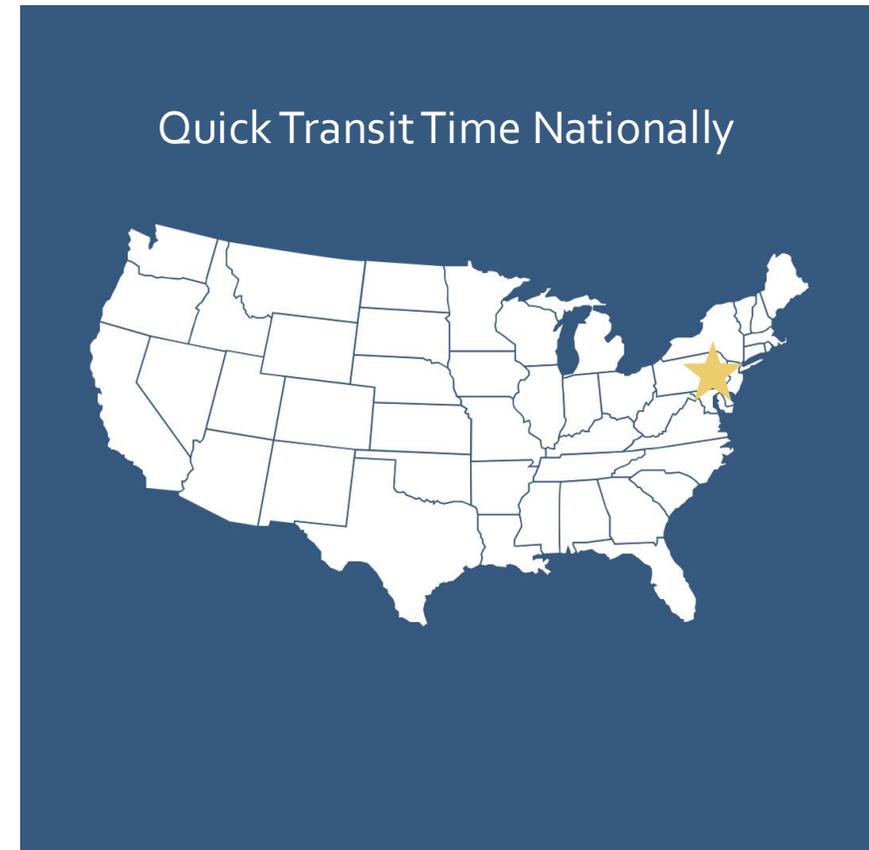

Our commitment to excellence shines through the glowing reviews on Google, NetPromoter, Amazon and our online store.

“Always an excellent experience with Touchstone. These are the products we use every day on projects.”
– Vinny

ORDERING IS EASY, DELIVERY IS FAST

- As a Pennsylvania-based company, we can quickly ship to local locations.
- We can also ship nationally no matter where your project is located.
- Order direct through the website with your Touchstone® For Pros discount.
- We can add all your designers and purchasers to our wholesale portal.
- Most orders ship within 24/48 hours.
- Your elite professional status gives you priority service. Our Pennsylvania-based CSRs will help facilitate your orders and answer any questions.
- Pricing is easy. Your discount is automatically applied, and shipping is free – no surprises at checkout. Your orders are sales tax exempt.

NEXT STEPS

- ❖ Visit the Touchstone Showroom to view and see our products on display. Enjoy a free lunch!
- ❖ Request a sample unit for your product needs... we will ship it to you. You will see the quality of our product and experience our secure packaging.
- ❖ Provide specs on your project and we will thoughtfully provide custom pricing with product recommendations based on your specifics, budget and timeframe.
- ❖ We can phase the delivery of inventory to your install needs.
