

80045/80046 Sideline Infinity Series Fireplace

Removing The Glass Panel

Remove the glass panel prior to installation to access the user manual and accessories. Please remove glass panel as per instructions below:

Instructions:

1. There are 5 screws that fasten the glass panel bracket to the fireplace. Remove all 5 screws to remove the glasspanel.

2. After removing screws, tilt glass panel away from the fireplace. Lift the glass panel away from the fireplace to remove the glass panel. Store the glass panel in a soft, dry place.

CAUTION: *It is recommended that 2 people remove the glass panel to minimize chance of breakage.*
